Conference Speakers:

Tom Gorman, Governor of the Rocky Mountain High Intensity Drug Trafficking Area. Mr. Gorman came to the Governor's office upon the request of Governor Ingelbretson in Colorado, to manage criminal, civil, and public health and safety issues.

John Nijard, Former IAGD Director, currently with Tom Gorman and Associates. Mr. Nijard has led the formation of complex transportation projects and implementation of every level of government. He will bring with him exciting complex projects and innovation as a public servant.

Chief John King, Peace Police Department. Formerly with a local police department in Maryland and a member of the IGC, Chief King has the honor and privilege of serving the Peace. He will bring his perspective on the IGC, crime issues and also about how he has not engaged in his job.

Robert Kirby, Peace writer for the Salt Lake Tribune. With insight on the issues of the public service with the Peace Police Department and observations on why the

Leaders from the National Criminal Justice Conference's 2016 Crime Summit, The Justice Association Center (JAC) will offer an impressive insight and some of the latest data from recent research studies.
