

2015 Recommendations for Nominations and Elections to the Utah League of Cities and Towns Board of Directors

ULCT board members are an integral part of our organization, they determine policy, review and adopt yearly League budgets, ratify decisions of the Executive Committee and Legislative Policy Committee, establish ad hoc and blue ribbon committees, ratify presidential appointments of members, and maintain close contact with League member within their district.

Your nomination of an elected official will be greatly appreciated and beneficial to your community and by all municipalities.

Upcoming issues the Board of Directors will face include:

- 1) The need to provide for intensive infrastructure needs (roads, water, sidewalks, etc.) with limited resources.
- 2) The increased public attention on law enforcement activity, including usage of body-worn cameras by police officers.
- 3) State legislative efforts to study and change the current sales tax distribution formula.
- 4) Federal and State Issues involving internet sales tax.
- 5) State legislative efforts to limit local control over land use, zoning, financing, and other traditional local government roles.

Please submit nominations to the League office, in writing, no later than August 14, 2015. After nominations have been received, all nominees will be asked to fill out a questionnaire and submit a personal photo. Additionally, all candidates will be asked to provide a 5 minute address to the Board of Directors Nominating committee on the opening Wednesday of the ULCT Annual Conference (September 16, 2015). Mayor Steve Hiatt of Kaysville, and ULCT 2nd Vice President, will chair the Nominations Committee. If you have questions or concerns, contact Nick Jarvis at the League office at (801) 328-1601
