**Statement by Utah State Auditor John Dougall
On the Passing of Former Speaker Becky Lockhart**

Salt Lake City, UTAH –

Today I am saddened by the sudden passing of a great friend, Speaker Lockhart, and tenderly remember the life that so many of us were blessed to be a part of. It was a privilege to serve with Becky and an honor to call her a friend. I will miss her immensely. My thoughts and prayers are with her family, her colleagues, and her many friends. I believe all Utahns have benefitted from her leadership and service.
