

GRAMA Request Form

Note: Utah Code § 63G-2-204 (GRAMA) requires a person making a records request furnish the governmental entity with a written request containing the requester's name, mailing address, daytime telephone number (if available); and a description of the record requested that identifies the record with reasonable specificity.

Requester's information

Name: Deanne Winterton, The Morgan County News

Request made to

Government agency or office: Office of the Utah State Auditor
Address: East Office Building, Ste. E310, Utah State Capital Complex
City/State/zip: Salt Lake City, Utah 84114

Records requested

Note: The more specific and narrow the request, the easier it will be for an agency or office to respond to the request. If you are unsure about the records' description, contact the agency or office records officer.

Note: Government keeps records in "series" or groups of records. To find out what series an agency or office maintains, visit the Archives' website, <http://archives.utah.gov>. The record series retention schedules on the Archives' website include relevant descriptions.

Title or series number of records (if known): _____

Description of records including all relevant information—location of event(s) described in records, city, county, address; date range of the records; names of the person(s); and subject of the request.

State Auditor's letter to Morgan County, perhaps Report No. MOCO-16-SP, dated around July 21, 2016, including Morgan County's Corrective Action Plan, dated around June 22, 2016, regarding an audit investigation.

Note: If the record has a restricted access, GRAMA provides that certain individuals may still receive access.

- I am the subject of the record
- I am the authorized representative of the subject of the record
- I provided the information in the record

Considerations about the desired response

I would like to:

- View or inspect the records only
- Receive a copy of the records and pay associated fees. Please notify me if the amount will exceed \$ 10.00
- Receive a copy of the records and request a fee waiver. According to Utah Code § 63G-2-203,
- Releasing the record primarily benefits the public
- I am the subject, or authorized representative, of the record
- My legal rights are directly implicated by the information of the record because _____, and I am impecunious
- Receive an expedited response (5 days) because releasing the record benefits the public; I request the information for a story or report for publication or broadcast to the general public

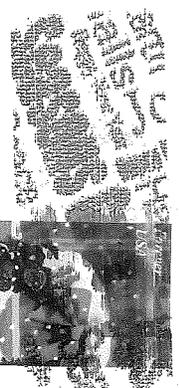

I intend to use this information for a newspaper article in the Morgan County News, a publication I have worked for since May of 2012. See my work online here:
