The Office of the State Auditor currently has no documents responsive to your request. Our Office performs mainly financial audits of Utah state agencies. On occasion, we conduct performance audits of particular agencies where we feel there is a need; however, we have not conducted any audits related to your request.

If you were requesting a specific audit, the Utah Office of the Legislative Auditor General conducts performance audits on a broader scale and may have conducted an audit related to your request. However, my check of their website did not find any related reports in the last 3 years. The link to their website is as follows:

A GRAMA request can be filed with the Utah County Sheriff’s Office, and may provide you the specific information you are requesting. The link to their webpage detailing instructions for records requests is as follows:
