Dear Mr. Gaylord:

I am writing to provide you with an official response to your GRAMA request, dated June 8, 2015, in which you asked for numerous records related to Jordanelle Special Service District (JSSD).

On June 10, 2015, Van Christensen, Audit Director with the Office of the Utah State Auditor, sent you an email indicating that the cost to fulfill your request would be \$1,000, which was over the \$100 authorized on the GRAMA form. On June 11, 2015, Mr. Christensen sent you another email regarding the type of items that would be redacted from the records. Since you have not responded with your approval for us to proceed, we will not fill your GRAMA request at this time. We are sending you this official response because 10 business days have lapsed since your initial request. We will respond to your original GRAMA request within 10 business days of any reply from you indicating that you want us to proceed.

Sincerely,

Linda Siebenhaar  
Records Officer
