Hi Maria,

This is a request under the Government Records Access and Management Act for claims and related information regarding the claims submitted in the following cases:

Monica Larsen Elliott, claim for \$3,405,242

and

Brenden Yates, claim for \$4,374,196.

These matters both have been submitted to the state and are scheduled for consideration by the Board of Examiners and, as such, are public records under GRAMA.

As a journalist seeking information for a possible news story that would inform the public, I am requesting an expedited response to this request. I also request a waiver of fees.

Please confirm receipt of this request by email.

Thank you for your prompt consideration,

Dan Harrie
