

**LOCAL “STATE OF EMERGENCY” OR “EMERGENCY  
DECLARATION”**

**WHEREAS**, beginning on or about June 15th ,2017 Torrey Utah, a break in the main waterline near the spring that feeds the water system occurred; and

**WHEREAS**, the break in the line ceased the flow of water to the storage tanks to the culinary drinking water system and the system is out of water ; and

**WHEREAS**, emergency response operations continue throughout the county and are severely straining all responding agencies and the emergency operations plan is in effect; and

**WHEREAS**, the cost and magnitude of responding to and recovering from the impact of this event is far in excess of the county’s available resources;

**WHEREAS**, these conditions do create a “State of Emergency” according to local and state statutes;

**NOW THEREFORE**, It is (found, determined or declared) that a “State of Emergency” exists due to the aforesaid break in the waterline and such area is declared to be a disaster requiring aid, assistance and relief available pursuant to the provisions of local and state statutes.
