Specific Instructions

Part 1: Type of Certification

Initial Certification application is due April 30, 2008

- Subsequent re-Certifications are due 60 days prior to expiration
- The first three-year re-Certification is due April 30, 2011.
- Supplemental Certifications must be filed if brand styles are to be added or removed.

Part 2: Manufacturer Identification

Provide your company name, address, phone, fax, web address, FEIN, and name, title and E-Mail address of person completing the form.

Part 3: Brand Family Certification

- Check whether the Brand family is currently listed on the Utah Cigarette and RYO Authorized Brands Publication 51.
- Identify each Brand Family and style of cigarettes the company intends to sell in Utah, either directly or indirectly through any distributor, retailer or similar intermediary, and seeks to have included in the Fire Safe Directory.

- Brand family: Provide the brand name, the style (light, ultra light), length in millimeters, circumference in millimeters, flavor (menthol, chocolate), filter/non-filter, and package description (soft pack, box).
- A Brands Addendum page is included with the Certification packet and is available on the Utah State Fire Marshal's web page.

Part 4: Test Method

- Check the box indicating which test method applies to the Brands being certified.
- If an alternative test method is being used, attach a copy of the Fire Marshal's authorization of the alternative test method.
- Attach most recent test results.

Part 5: Marking Approval

- Prior to the Certification of any cigarettes, a Manufacturer shall present its proposed marking to the State Fire Marshal for approval.
- Attach a copy of Fire Marshal approval or attach the proposed marking for approval.
- Check whether the 8-point type or larger is in conjunction with or is at or around the UPC code.

Part 6: Fee Calculation

- Multiply the total number of cigarette styles listed by \$250.00.
- Remit with the Certification.

Part 7: Certification Information Provided to Wholesale Dealers and Agents

- Manufacturers are required to provide a copy of the Certification to all wholesale dealers and agents to which they sell cigarettes. See UCA Section 53-7-405(6).
- Wholesale dealer means any person who sells cigarettes or tobacco products to retail dealers or other persons for purposes of resale as well as a person who owns, operates, or maintains one or more cigarette or tobacco product vending machines.
- Agent means any person authorized by the State Tax Commission to purchase and affix stamps on packages of cigarettes.
- Provide information about the wholesale dealers and agents to which copies of the cigarette package marking is provided. If a wholesale dealer or agent requests a manufacturer to provide one copy of the marking, electronically or otherwise, and desires to make copies as needed for its customers, please note such.

Part 8: Designated Contact

Provide the name, title, address, phone and fax numbers, and email address of the individual the Fire Marshal should contact with respect to matters relating to this certification. The designated contact is the individual who will receive mailings.

Part 9: Manufacturer Certification

The authorized designee executing the Certification must be an officer, principal, director or other authorized representative of the Manufacturer. The authorized designee's name and title must be legibly printed and their signature must be notarized.
