RE: **Vendor Information - Payment of Certification Fees**

Dear Sir or Madam:

Pursuant to the, Reduced Cigarette Ignition Propensity and Firefighter Protection Act, §53-7-404(5) it is necessary to tender vendor information that may be required by companies, concerns or manufacturers for payment of Certification fees. The following information is given to assist in naming the "Utah State Fire Marshal" as a recurring vendor for payment:

<p>Utah State Fire Marshal Office of the State Fire Marshal 410 West 9800 South, 3rd Floor Sandy, UT 84070</p>	<p><i>Contact:</i> Jon Ritchie 801-256-2377 Office 801-256-2386 Fax jritchie@utah.gov</p>
--	---

Should there be a lag time between Certification application/list submittal and the payment of fees, it must be understood, as stated on the submission forms, "*No brand styles will be Certified for sale in the State of Utah or be included in the Utah Fire Prevention and Safety Authorized List until the fee is paid in full.*" Certification will not be approved or finalized until payment of fees is secured.

Thank you so much for your cooperation in this matter. Should there be any vendor questions or further information required, please let me know at your earliest convenience.

Jon Ritchie
Deputy State Fire Marshal
