

PEACE OFFICER STANDARDS AND TRAINING POLICY AND PROCEDURE MANUAL

WAIVER AND REACTIVATION

3210 WAIVER AND REACTIVATION POLICY

POLICY

1. Utah law provides that the Director of POST may waive the required basic peace officer or dispatcher training course and certify an applicant who:
 - a. provides proof they meet the requirements under section 53-6-203 or 53-6-302,
 - b. provides proof that they have completed a basic training program that in the director's judgment is equivalent to the POST course
 - c. passes the certification examination; and
 - d. for peace officer certification, passes a physical fitness test. (Utah Code Ann. §53-6-206).
2. Waiver applicants will be required to furnish POST with a copy of the training curriculum from the institution where they received basic training and proof of successful completion of the program.

PROCEDURE

1. WAIVER

Waiver applies to a person who has completed a peace officer or dispatcher training program other than one already certified by the director of Utah POST and requests Utah POST to recognize their training and waive the normal basic training requirement. All or any part, of the training program may be waived.

2. REACTIVATION

Reactivation refers to a person who has previously been certified as a peace officer in Utah, who has not been actively engaged in performing the duties of a sworn and certified peace officer for 18 consecutive months or more, but less than four years as described in Utah Code Ann. §53-6-208, or a person who has previously been certified as a dispatcher in Utah, who has not been

actively engaged in performing the duties of a dispatcher for 18 consecutive months or more, but less than four years as described in Utah Code Ann. §53-6-306.

3. LAPSED CERTIFICATE

A peace officer or dispatcher whose certification has lapsed is not eligible for Waiver or Reactivation. In the case of a lapsed certificate, the officer or dispatcher shall re-attend and complete all requirements of the basic training program including the certification examination and physical fitness test.

Note: The certificate of a peace officer or dispatcher becomes "inactive" if they have not been actively engaged in performing the duties of a peace officer or dispatcher for 18 consecutive months or more. The certificate of a peace officer or dispatcher "lapses" if they have not been actively engaged in performing the duties of a peace officer or dispatcher for four continuous years or more.

3220 WAIVER ELIGIBILITY

POLICY

The Training Bureau Chief, or designee, will evaluate peace officer and dispatcher training programs for waiver eligibility. Generally, the following rules will apply:

1. Applicants who, within the last four years have completed a basic peace officer or dispatcher training program in another state that, in the judgment of the director of POST, is equivalent to the program required for certification in Utah; or, have been certified and actively engaged as a city, county, state, federal, or military law enforcement officer or dispatcher within the last four years, and have left in good standing, may be eligible for waiver.
2. All out-of-state waiver applicants are required to complete the POST waiver process. The waiver process includes a background check, a written certification test and, for peace officers, a physical fitness assessment.

3230 REACTIVATION ELIGIBILITY

POLICY

Reactivation eligibility is determined in the following manner:

1. Subject to Utah Code Ann. § 53-6-208(2), and 53-6-306 a person who has not been actively engaged in performing the duties of a Utah peace officer or dispatcher for four continuous years or more is ineligible for reactivation and must successfully pass a basic training course at a certified academy, the certification examination and, for peace officers, a physical fitness test before they will be certifiable.
2. A certified Utah Peace Officer or dispatcher who becomes unemployed as a peace officer or dispatcher for 18 consecutive months or more, but less than four years must successfully complete the reactivation process in order to have their certification reissued or reinstated.
3. A person who has completed a certified basic training academy in Utah, and has not become employed in a peace officer or dispatcher position within 18 consecutive months or more from the date they complete the original certification examination, must successfully complete the reactivation process before they will be certifiable.
4. All reactivation applicants are required to complete the POST waiver process which includes a background check and a written examination. A physical fitness assessment will also be required for those seeking certification as a peace officer.

3240 WAIVER AND REACTIVATION APPLICATION PROCEDURE

POLICY

1. Applicants for waiver or reactivation will complete the application electronically, via the POST web site, and submit assessed fees directly to POST.
2. When the application is approved by POST, the applicant may receive a copy of the performance objectives taught in basic training, information on accessing the Utah traffic and criminal code on-line, information on the required physical fitness standards and other study materials to help them prepare for the Waiver/Reactivation written exam and physical fitness assessment. The written exam will be based on the basic training performance objectives. The physical fitness assessment will be based on the physical fitness standards for certification as approved by the POST Council.
3. All Waiver and Reactivation applicants must complete and submit the following forms to POST:
 - a. Application and Background Clearance for POST Approved Basic Training

Programs. This form shall be signed by the applicant. A recent photograph, a copy of the applicant's high school diploma, applicants driving record (if driving record is from outside of Utah), DD 214 form (if veteran), and a birth certificate, must be provided.

- b. Medical Release. This form shall be signed by a physician before taking the physical assessment test.
 - c. Fingerprint Card (1). A criminal record search shall be completed prior to certification. Fingerprint cards shall be filled out completely.
 - d. Request for Certification. The chief administrative officer of the agency shall complete this form. This form is to be submitted to POST only after the applicant is hired by a Utah public safety agency.
 - f. Waiver and Authorization to Release Information. This form shall be signed by applicant and notarized.
4. Fees
- a. A \$75.00 fee will be assessed for the written exam and physical fitness assessment
 - b. The fee is payable at the time of testing. The fee is not applicable if an individual is currently employed by a Utah law enforcement agency.

3250 WAIVER AND REACTIVATION TESTING PROCEDURE

POLICY

1. Waiver and Reactivation applicants must pass a written examination. This examination will include questions concerning many of the performance objectives taught in basic training. The written examination is composed of true/false, multiple choice and matching questions. The applicant will be allowed three hours to complete the examination and must achieve a score of 80% to pass.
2. If the applicant does not pass this examination, they will have one opportunity to re-take the examination. An applicant must pass the re-take examination within 90 days from the date they take their first examination.
3. Reactivation applicants must complete this process before the four year time limit has expired.
4. Subject to Utah Code Ann. § 53-6-206(3) or 53-6-304(2) If an

applicant fails the written examination [after two attempts] the director may not waive the required basic training course and the applicant shall complete the basic training requirement including the certification examination and physical fitness test before they may be certified.

5. If the applicant fails the written exam, POST staff may tell the applicant how many questions were missed in each area, but will not review individual questions.
6. All waiver and reactivation applicants for peace officer certification shall also pass a physical fitness assessment at the established basic training exit standard in each fitness category (see POST policy 2390 for physical fitness standards).
7. Waiver and reactivation applicants for peace officer certification who fail the physical fitness assessment will have four years from their last date of employment as a peace officer to meet the approved standard. Re-testing during the four year period will be at the convenience of POST.

Note: See POST Policy 2091 for written testing accommodations
