~ Application fee is valid for the 2-year period of May 1, 2018 – October 31, 2019. ~

Boat Slip/Dry Storage Waiting List Rules

1. A person may submit only one application per registered boat per category. The applicant must be 18 years of age or older. Applicant must apply in person on the opening day of the waiting list (Monday, April 9, beginning at 8:00 AM). After April 9, 2018, applications may be received by mail, in person, or scanned electronic copy emailed. Those who are awarded slips through the random draw/sealed bid process, and choose to be put on the wait list, shall forfeit the awarded slip and the \$100 non-refundable deposit.
2. Only one application in the appropriate category by boat length may be submitted per legally registered boat. Applicants whose boat length falls within the B & C categories may submit **SEPARATE** applications for each category. Note: For the purpose of Boat Slip Applications, the LENGTH of your boat is not the registration length, but must include all extensions from the bow, i.e. bow pulpits, to the stern, e.g. swim platforms, trolling motors, etc.
 - a. Corporations, trusts, partnerships, etc. that own more than one vessel can only submit one application that includes the name of one owner as the responsible party.
 - b. The responsible party agrees not to use the boat slip to conduct any type of commercial activity without prior written approval by the Park Manager and a special use permit issued.
3. Successful applicants who meet all boat slip or dry storage lease terms and conditions will be given an option to renew the lease for another season (May 1 thru Oct. 15, Oct. 31 for Dry Storage). Boats may remain in the park, but must be off the slips by October 15 of each year. The last option to renew will be given for the 2019 season.
4. Boat Owner may terminate the Lease at any time by giving thirty (30) days written notice. Those with less than 30 days notice are subject to forfeiting 2 weeks of payment refund. **Failure to follow the procedures/rules will be reason to terminate a lease agreement.**
 - Refunds will not be given for lack of access to the sewer pump out. Refunds may be pro-rated if the slips have complete loss of power for an extended period of time. If the slips are inaccessible due to low water levels, slip lessees may receive a pro-rated amount for the remainder of the contract as determined by the Park.
 - All contracts that are terminated or canceled are just that, canceled. The boat owner must obtain a slip through the next process or through the waiting list.
5. All waiting lists will expire October 31, 2019.
6. Persons will be placed upon waiting lists in numerical descending order. Separate waiting lists will be maintained for all categories listed on the first page.
7. If a slip vacancy occurs, Jordanelle State Park will attempt to contact the applicant at the top of the list by phone (all numbers listed on the application will be called only once) and the applicant will have 48 hours from the time of attempted contact to accept or decline an opportunity to lease the slip. If contact is made with the applicant and he/she does not accept the slip, the applicant will remain "in position" on the waiting list and the next person in line on the waiting list will be called. If contact is not made, the applicant will remain "in position" on the waiting list and the next person in line on the waiting list will be called.
8. Applicants that accept the slip offer will be invoiced for payment of the slip beginning the day after their acceptance. Failure to provide payment within 14 consecutive days from date of invoice will cause the applicant to lose the slip/site and the next person in line on the waiting list will be called. The applicant will not lose their position on the waiting list and will be eligible to be called for future openings. The Boat Lease agreement or Dry Storage Contract and full payment must be received within two weeks of the invoiced date. A signed Boat Lease agreement accepted by the Park Manager, a copy of the vessels current registration and insurance, and a vessel safety inspection conducted by park staff must be on file at the time of boat check-in before the vessel may be placed in the slip/site. Failure to complete the forms in a timely manner could cause applicant to lose the slip.
9. All waiting list fees are non-refundable. The \$20 fee will NOT be applied towards the lease payment.
10. Successful applicants will be receiving a slip for their boat only along with one parking pass. This does not include trailer parking. Please make arrangements for your trailer. Trailer parking is available through the concessionaire. Trailers left behind may be towed at the owner's expense. This does not apply to dry storage recipients.
