Subject: Draft Environmental Assessment – Echo Recreation Development Project, Summit County, Utah

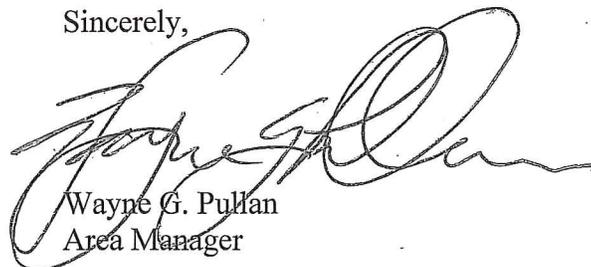

Dear Interested Persons:

In compliance with the National Environmental Policy Act (NEPA), the Council on Environmental Quality, and the Department of Interior regulations implementing NEPA, the Bureau of Reclamation, Provo Area Office, has completed a Draft Environmental Assessment (EA) to determine the environmental impacts of development and rehabilitation of recreation facilities at Echo Reservoir, Summit County, Utah. The proposed action analyzed in this draft EA includes construction of cabins and day use areas at Red Rock Campground; overnight camping and group use areas at Dry Hollow Campground; RV dump station and park ranger housing and storage at Ranger Overlook; and RV camping at Chalk Creek Campground.

The Draft EA will be available for your review at <http://www.usbr.gov/uc/envdocs/index.html> beginning April 18, 2018. All comments will be considered in determining whether to execute a Finding of No Significant Impact and to authorize the action. Comments are due by May 21, 2018. Comments may be sent to Bureau of Reclamation, Attention: Mr. Jared Baxter, 302 East 1860 South, Provo, Utah 84606, by email to [echocomments@usbr.gov](mailto:echocomments@usbr.gov), or submitted in-person at a public meeting held on May 2, 2018, from 6 to 8 p.m. at the North Summit High School located at 111 South 100 East, Coalville, Utah 84017.

If you have any questions or would like a hard copy of the EA mailed to you, contact Mr. Jared Baxter at 801-379-1081 or [echocomments@usbr.gov](mailto:echocomments@usbr.gov).

Sincerely,

Wayne G. Pullan  
Area Manager
