**SAFETY CONSIDERATIONS:**

**BE PREPARED...**

Plan ahead. The weather can change rapidly.

- Carry all necessary supplies including an emergency escape kit, food, water, and warm clothing. Carry at least 1 gallon of water per person per day for the days you plan riding. Knowledge of conditions in your area is essential for preparing for potential weather shifts.

- Weather or supply checklists should include items such as water, tools, gear, and other equipment such as maps, maps, guides, and other necessary items.

- Know the area you are riding. If your vehicle is equipped with a GPS, keep it in good condition and read the owner’s manual.

- Always ride a responsible person. Know what you are going to do, what you plan to do, and when you plan to return.
