**NOTES:**

<sup>1</sup> Top 12 revenue sources for the non-restricted General, Education, and Transportation Funds. This report provides a revenue outlook for the fiscal year, and is not an exhaustive review of state finances. **These sources constitute at least 95 percent of non-restricted revenue (excluding federal funds), and do not include special earmarked funds or other budgetary adjustments.**

<sup>2</sup> The revenue forecast is developed through consensus by economists from the Office of the Legislative Fiscal Analyst, the Tax Comm., and the Governor's Office. The target revenues (col. 2) are based on the Feb. 22, 2016 Consensus Revenue Forecast adjusted for legislation passed in the 2016 Gen. Session.

<sup>3</sup> State sales and use tax revenue listed above includes only General Fund amounts and does not include earmarked revenue. When earmarked revenue is included total sales tax revenue grew approximately 3.4 percent from \$816.9 million to \$844.8 million through 4 months of FY17.

<sup>4</sup> Includes corporate franchise and income taxes, radioactive waste, and gross receipts taxes.

<sup>5</sup> The severance tax in col. 4 and 5 are net of transfers to Navajo and Uintah Basin Revitalization Funds and the Permanent State Trust Fund.

<sup>6</sup> Includes the impact of HB 362 from the 2015 General Session of the Utah Legislature. This bill increased taxes on motor fuel and special fuel (effective January 1, 2016) and the tax on CNG and LNG (effective July 1, 2015).

<sup>7</sup> Motor vehicle registration fees estimated by the Economic & Statistical Unit are not part of the Consensus Revenue Forecast.
