2023 Highlights

Administration

Our website has a new lease on life. At the request of Weber IT, we worked with a contractor to redesign, host and improve our site. In addition to making it more visually appealing, it has online forms, customer feedback, secure record request features, and better social media integration.

8,705
Birth Certificates

2,784
Death Certificates

Clinical Nursing Services

A new patient portal and billing system has improved our nurses' ability to interact with clients and integrates with our accounting system. It's a web-based program that can go to mobile clinics and patients can now access their own records through the portal.

321
New Home Visit appointments age 0-4

9,015
Immunizations

Environmental Health

Staff participated in a QI project involving the Wastewater Program. It helped ensure permitted alternative wastewater systems are maintained to stringent water quality standards, groundwater is less likely to be contaminated. Automation has saved time and increased number of clients served.

118
Soil Tests

93
Septic Permits

22
VRRAP Repairs

23
VRRAP Replacements

Community Health

Staff led the development of a statewide dashboard to track overdoses and deaths. The dashboard allows police, fire, local health departments, hospitals, community resource centers, mental health and grief counselors and even morticians to quickly come together and provide a holistic response to these tragedies when they happen in our community.

387
Community Members Trained Suicide Prevention

46
New CHW Community Partnerships

320
Tobacco Compliance Checks

Women, Infants and Children

Our Breastfeeding Fair is one of the first in the state. Building on last year's success, staff invited the general public in addition to WIC participants. It drew over 18 community partners tabling at the event, and 110 families and 300 individuals attended. Little Lambs Diaper Bank provided a pack of diapers to each family that attended.

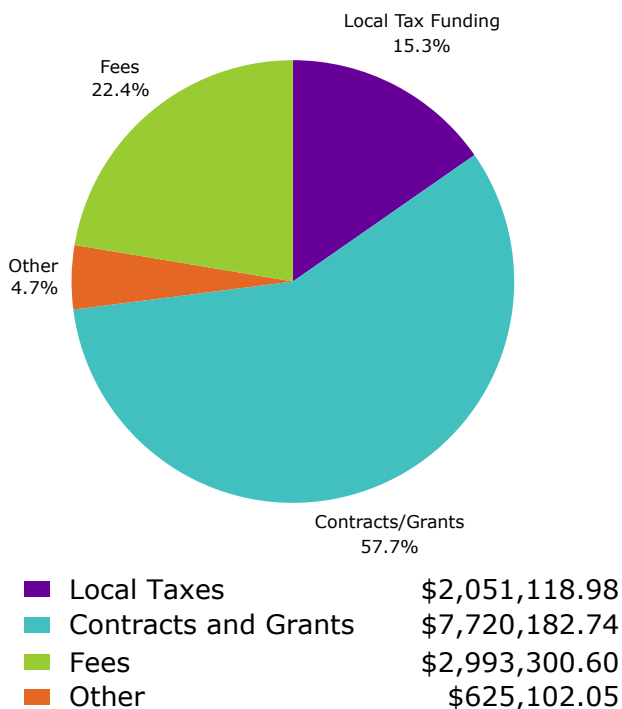

101
Prediabetes Classes

112,666
Appointments Completed

41,098
Nutrition Education Appointments

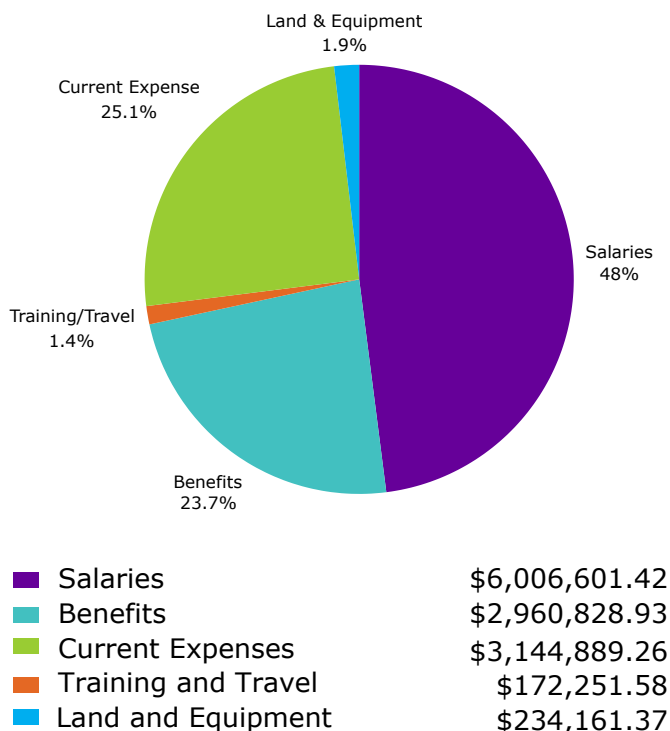

The WMHD Annual Report is published each April. It provides a snapshot of our work in the community, our finances, and achievements over the course of the previous year. It serves as both a historical reference point and a guide for the future.

Revenue

Total: \$13,389,704

Expenses

Total: \$12,518,733

excludes \$2.9 million passthrough funds in WIC commodities

Top 10 Communicable Diseases

Disease	2022 Reported for Investigation	2022 Confirmed/ Probable Cases	5-Year Average Confirmed/Probable	5-year Trends
